Dear Cherrywood Families,

I can't believe it is May already!! We have been some busy bees here at Cherrywood!

It is getting close to the end of the year but we still have so much more to do. Kinder through 2nd grade students will be taking the Benchmark standards tests in May to assess what they have learned throughout the year. Third through 5th grade students will be taking the SBAC National assessments. This is the computer based standardized tests that gives the students, parents and teachers a snapshot of what the child has learned during the school year. There will be a joint band concert on May 25th. We have our Volunteer Tea and Open House on the evening of May 26th. Our Olympics will be taking place the first week in June. Our school will be heading to Cataldi Park for our annual Lunch in the Park on June 3rd. Lastly, we will be having our kindergarten and 5th grade promotional ceremonies on the last day of school, June 10th. We hope that you come out and join us for these fun filled events!

We will be celebrating our teachers and staff during the week of May 9th through May 13th for Staff Appreciation Week. Please take the time to let your teachers, office staff and support staff know how much they are appreciated for all the hard work they do in helping to support our children.

Lastly, I thank YOU, our parents for your continued support and all you do here at Cherrywood School. I have really enjoyed working with you and your children. This will be my last year here at Cherrywood. I will be moving on to be principal at Majestic Way. I have learned so much from my experiences here and will take them and all of my wonderful memories with me as I begin my next adventure at my new site. I will miss my kids and all the wonderful families I have met but am so excited to meet new families as well.

Thank you again for everything! Enjoy the rest of the school year and have an awesome summer!

La Keisha Blackshire
Principal
