## January 20, 2017

Dear Cherrywood Families,

The new year is here and that means we all have thought about what the new year will bring us. It also is a time where many of us think about and make new year's resolutions. We have a couple of new schoolwide activities for you to look out for too. This year, we will be hosting more family nights for you to enjoy with your child. We hope that everyone can attend at least one of our family nights this year. It's a great time of learning with your child and getting to know other families. And, it is definitely a time to strengthen our school community as we all work towards building a learning environment together that inspires and engages our students. In fact, tonight, we are hosting our second Family Movie Night from 7-9 PM in our multipurpose room. Our next event is our monthly Home and School Club/School Site Council meeting next Monday, 1/23, at 6:30 PM in the Office. Come and find out what's happening. Finally, we are hosting a Jumprope for Heart community event on Tuesday, February 14th. We hope all families will be able to come and support our students as they jump rope. Hope to see you there! Let's make 2017 a year of coming together as a school community!

Mrs. Choy
